ABOUT US..

We are introducing ourselves as manufacturer and exporter of all type of garments in Bangladesh since 1997. We had initially started export to Spain and France subsequently extended to European countries and also then Canada, USA and to other Fareast countries.

Why us?

Customers First

“Our customers are the foundation and the motivation for all that we do.”

Openness

“We expect sincerity and obligation 100% of the time — period

cooperation

“Be the best at what we do” to achieve profitable growth through quality and duty”

Our Principles

We have a vertical setup as well as experienced personals in all levels of operations to meet buyer’s requirements exactly in time and Supported with a good production capacity.

We have separate departments for sampling, Merchandising, Production planning, Quality control, Logistic and Banking related matters.

Chairman Message

We are Bangladeshi one of the main article of garments exporter, as a favored long-term merchant to most driving worldwide brands, we are in the middle of the main players in the global apparel industry. We make respect from competitively manufacturing and exporting fashion garments to leading global brands.

We are social responsible apparel manufacturers. We might dependably maintain our business morally and be mindful to our clients, suppliers and representatives. Our point is to be focused and productive through our low-cost manufacturing capabilities.

We walk ahead into the future as a business sector pioneer with confidence and support of every one of our suppliers and workers. DGL Group is resolved to contribute into the improvement of the country by creating increasingly incomes through its motivated endeavors.

We wish to wind up model of magnificence of serving promising brands in the worldwide garments industry. We will make this likely through our industry experience and world rank manufacturing spine.

Kh. M. Mohibul Islam
